MESSAGE FROM THE ED

"As we reflect on the past year, we are proud of the impact we have made in empowering young people through education, mentorship, and community development. Our efforts in sponsorship, climate awareness, and leadership training have touched many lives, and we remain committed to expanding our reach in 2025. With the support of our partners, volunteers, and stakeholders, we will continue striving for a brighter, more inclusive future for all. Together, we can create lasting change. ."

Gideon Kangali

FOCUS AREA AND ACHIEVEMENTS

Education & Sponsorship: Provided school supplies (books, uniforms, shoes, etc.) to 6 pupils at Mulenga Primary School (Kitwe) & Gilgal Orphanage (Solwezi).

Menstrual Health & Reproductive Education: Conducted outreach at 3 orphanages in Lusaka, educating 105 girls and providing reusable sanitary products.

Mentorship Programs: Covered career development, leadership, health, and drug abuse awareness in schools.

Climate Change Awareness: Partnered with All for One Initiative Zambia to reach 5,000 pupils through climate education. Planted 600 trees in Mansa schools and communities.

Impact: Empowered young people and contributed to sustainable community development

Overview of 2024 Activities

Together, we rise by lifting others

Empower, inspire, and make a difference

SPONSORSHIP AND PERSONNAL DEVELOPMENT PROGRAM

In January 2024, Scholars of Hope Foundation revamped its child sponsorship project to support children from low-income backgrounds by providing essential school supplies, including books, uniforms, shoes, and stationery. The first cohort sponsored six pupils from Kitwe and Solwezi, offering both material support and mentorship sessions, including skill development programs at the American Corner, to foster their personal and academic growth.

MENSTRUAL HYGIENE/SRH EDUCATION AND REUSABLE PADS DISTRIBUTION

In early 2024, Scholars of Hope Foundation, Genhope Foundation, and Project Zambia collaborated to educate and support 150 orphaned girls on menstrual health. Covering topics like puberty, hygiene, and reusable pad use, the initiative reached three orphanages in Lusaka equipping girls with essential knowledge and resources for sustainable menstrual management.

CLIMATE CHANGE AWARENESS AND TREE PLANTING PROGRAMS

In partnership with All for One Initiative Zambia, Scholars of Hope Foundation implemented climate change awareness programs across 20 schools and communities in Mansa. Beyond education, the initiative promoted sustainability by planting 600 trees, fostering long-term environmental impact.

MENTORSHIP AND CAPACITY BUILDING PROGRAMS

As part of our mission to empower children and youths, the organization conducted a series of mentorship programs in schools, focusing on leadership, career development, health, and drug abuse awareness. These sessions aimed to equip students with essential life skills, inspire personal growth, and promote informed decision-making for a healthier and more successful future.

WINTER & FESTIVE OUTREACH PROGRAMS

On January 1 and June 8, 2024, Scholars of Hope Foundation, in partnership with the Copperbelt University Debate Society, visited Sera Rose Children's Home to provide mentorship, support, and donations. The visit included sessions on leadership, hygiene, teenage pregnancy, and drug abuse, along with interactive games like football to promote teamwork. Essential groceries were also donated, reinforcing the organizations' commitment to uplifting vulnerable children through compassion and solidarity.

Budget

Sponsorship Program	<div></div>	K6,000
Mestrual education	<div></div>	K7,000
Climate Change Awareness	<div></div>	K60,000
Outreach programs	<div></div>	K6,000

LOOKING AHEAD – 2025 GOALS

- ✓ Expand Sponsorship Programs – Support more vulnerable children with essential school supplies.
- ✓ Enhance Climate Awareness – Conduct more programs to educate and engage communities on climate action.
- ✓ Strengthen Leadership & Personal Development – Provide training and mentorship for members.
- ✓ Improve Partnerships & Stakeholder Engagement – Foster stronger collaborations for greater impact.
